APPLICATION OF PRICE LIST

Thank you for selecting Easton Telecom Services, L.L.C. ("Easton" or "Company") as your local and/or long distance telecommunications service provider. This Price List establishes the standard rates that apply to the provision and your use of Easton's retail local exchange and interexchange long distance Telecommunications Services in the State of Georgia. Your verbal or written Service Order or any use by you of Easton's Service constitutes agreement by you to all the rates set forth in this Price List, and terms, and conditions set forth in Easton's Service Guide, including any other documents specifically incorporated herein.

The provisions of Easton's Service Guide terms and conditions in conjunction with the rates contained in this Price List apply only to retail intrastate Telecommunications services furnished by Easton and do not apply, unless otherwise specified, to any other services, including, without limitation, Information Services and other unregulated services offered by Easton. Except as expressly specified in this Price List with respect to particular Service plans ordered by Customers, the rates and charges set forth in this Price List do not cover lines, facilities, or services furnished to Customers by other carriers, including, without limitation, lines, facilities, or services that are used by Customers to access Easton's long distance Services or to complete calls to or from points beyond Easton's local network calling areas. Customers are solely responsible for obtaining any Customer Premises equipment and for establishing suitable agreements or other arrangements with other carriers that may be needed to access and use Easton's Services.

The rates contained in this Price List, together Easton's standard Service Guide terms and conditions and any applicable Tariffs, establish the sole and exclusive rates, terms, conditions, and understandings pertaining to Easton's provision and Customer's use of Services ordered by Customer, and supersede all prior agreements, proposals, representations, and understandings, whether written or oral, with respect to such Services. No provisions of this Price List, Easton's Service Guide, or any Applicable Tariff may be changed, waived, or otherwise amended, or modified in any manner except pursuant to a written document that has been duly executed by Easton for such purpose.

In the event of any conflict between this Price List and any Applicable Tariff, such conflict will be resolved by giving preference, first, to the Applicable Tariff provisions and, second, to this Price List.
